

RAISE YOUR VOICE STATEMENT ON THE BRUTAL DEFILEMENT AND MURDER OF THREE-YEAR-OLD ELIZABETH WAMAITHA

13 February 2025

We are deeply horrified and heartbroken by the brutal defilement and murder of three-year-old Elizabeth Wamaitha in Maragua town. This innocent child was taken from her home, subjected to unimaginable cruelty, and her lifeless body callously discarded in a public dam. Our hearts go out to her grieving mother, Ms. Florence Wanjiku, and the entire family during this unimaginably painful time.

This heinous act is not just an assault on one child, but a grave violation against the sanctity of all human life and the safety of our community. Such barbarity has no place in our society, and we must unite to ensure that justice is served swiftly and decisively.

We urgently call upon the law enforcement agencies to expedite their investigations, apprehend the perpetrator(s), and ensure they face the full force of the law. It is imperative that those responsible for this atrocity are held accountable to prevent such tragedies from recurring.

Furthermore, we appeal to community members to remain vigilant and support one another in safeguarding our children. If anyone has information related to this crime, we urge you to come forward and assist the authorities.

In memory of little Elizabeth, let us reaffirm our commitment to protecting the most vulnerable among us. We must work collectively to create a society where children can grow up free from fear, harm, and violence.

May Elizabeth Wamaitha's soul rest in peace, and may her family find strength and solace during this dark time.
